

Hybrid Meeting Guidelines

Hybrid board meetings will continue as a test as we evaluate the best format moving forward. We appreciate your patience as we work through this new process together.

To help the meeting run smoothly, please review the following guidelines:

- For security purposes, you **must log in to the VRHOA website** to access the meeting link. The link will be e-mailed prior to the meeting.
- Please **DO NOT SHARE** the link anywhere.
- Please enter your full name (first and last) when joining the meeting so we can identify speakers.
- If you would like to speak during Open Forum, **we encourage you to contact us in advance when possible.**
- Each speaker will be limited to three (3) minutes, consistent with in-person meeting guidelines.
- Please use the “Raise Hand” feature to indicate you would like to speak.
- Participants will be called upon during Open Forum in accordance with meeting procedures.
- Not all questions may receive immediate answers. Some items may require additional board discussion or follow-up.
- The chat feature will be disabled during the meeting to ensure all discussion occurs in the public meeting format and is accessible to all attendees.
